

## **Copyright**

Articles submitted to the journal should not have been published before in their current or substantially similar form, or be under consideration for publication with another journal.

### **Third party copyright permissions**

Author/s should clear permission to use any content that has not been created by them before submitting the article. We would be unable to publish any article which has permissions pending.

#### **The rights requires are:**

1. Non-exclusive rights to reproduce the material in the article or book chapter.
2. Print and electronic rights.
3. To use the material for the life of the work  
(There should be no time restrictions on the re-use of material).

#### ***When reproducing tables, figures or excerpts from another source -***

1. Authors obtain the necessary written permission in advance from any third party owners of copyright for the use in print and electronic formats of any of their text, illustrations, graphics, or other material, in their manuscript.
2. If an author adapts any material, the author must inform the copyright holder of the original work.
3. Authors obtain any proof of consent statements
4. Authors must always acknowledge the source in figure captions and refer to the source in the reference list.
5. Authors should not assume that any content which is freely available on the web is free to use. Authors should check the website for details of the copyright holder to seek permission for re-use.
