Author's Guidelines

Authors should submit only papers that have been carefully proof read and finished. Acceptance or rejection notification will be sent to all authors. Original research work as well as research related News / Articles/ Reports are welcomed.

We also accept extended version of papers previously published in conferences and journals. Papers must be written in English for print publication while for online publication any language would be considered in proper format. Papers submitted must be in MS Word format with file extension *.doc.

Paper which not follows the norms will not be published.

Files infected with viruses, will not be processed.
